

Dear ACESL Members,

I have the pleasure to circulate the following flyers and messages for your information and active participation by you and your colleagues.

1) Cooperation Sharing Improvement - 2017 INTERNATIONAL ENGINEERING CONSULTANTS FORUM Nov. 1 - 3, 2017 The Twenty-first Century Hotel, Beijing

2) Skilled Development Programme for Association of Consulting Engineers-SAARC Countries.

The Consultancy Development Centre, an autonomous institution under the Ministry of Science & Technology, India offers training programmes for the skill development of Consulting Engineers.

I would appreciate it very much if you could send your comments and suggestions regarding how our association should collaborate with the CDC to get the best benefits from such programmes.

For more information, please see the attachment and the CDC's web page at <https://www.cdc.org.in/>

I take this opportunity also to request you to send your suggestions

1) to develop a Corporate Plan for the ACESL.

2) if any, regarding the Rules of the ACESL.

3) on current issues that need attention by the consulting engineers.

Thank you.

Eng. Kirthi Sri Senanayake

President, ACESL
