

Submission of Articles and Technical Papers

Date: August 15th, 2022

Dear Members,

This notice is to inform you that the annual newsletter of the Association of Consulting Engineers Sri Lanka will be published this year as well and we would like to invite all the members and member consultancy firms to offer their submissions in any of the following forms:

- Technical Papers
- Brief articles of completed projects by individual members or member consultancy firms
- Workshops held or any other social works done by member consultancy firms.

The above can be submitted in the form of text or photos. In case of inclusion of workshops or events held, please make sure to include only the latest happenings (previous year- 2021 and/or this year- 2022). Please include your contact details. The deadline for all submissions will be on the 15th of September 2022.

For further queries, please contact the editor via e-mail: acesl.editor@gmail.com

Thank you

Regards,
Editor
